

### SECTION 1 - Identification of the substance/mixture and of the company/undertaking.

- 1.1 Product Identifier:** Lamb Volostrum  
**1.2 Identified Uses:** Young animal complimentary feeding supplement.  
**1.3 Supplier Details:** Volac International Ltd. Orwell, Royston, Hertfordshire. SG8 5QX  
**1.4 Emergency Contact:** Tel: +44 (0)1223 208021 www.Volac.com Enquire@volac.com

### SECTION 2 – Hazards Identified.

- 2.1 Classification:** Not Classified  
**2.2 Label Elements:** None  
**2.3 Other Hazards:** Dust Generation – may irritate skin, eyes and respiratory system.

### SECTION 3 – Composition/ Information on Ingredients.

- 3.1 Substances:** None  
**3.2 Mixtures:**
- |     |                          |                  |
|-----|--------------------------|------------------|
| 55% | WPC65 Volostrum          | -----            |
| 35% | WPI Whey protein Isolate | CAS# 159074-53-0 |
| 10% | Colexan                  | CAS# 112926-00-8 |

### SECTION 4 – First Aid Measures.

- 4.1 First Aid Measures:** Eyes: Rinse for 15 minutes. Seek medical attention if irritation persists.  
 Ingestion: Rinse mouth. Do not induce vomiting. Allow water drinking.  
 Inhalation: Remove person to fresh air to allow recovery.  
 Skin: Wash area. Seek medical attention if irritation persists.  
**4.2 Important Symptoms:** Seek medical attention if person loses consciousness.  
**4.3 Medical Attention:** Seek immediate medical attention if person stops breathing.

### SECTION 5– Fire Fighting Measures.

- 5.1 Extinguishing media:** Use any suitable means of extinguishing. Avoid using direct water jet.  
**5.2 Special hazards:** None.  
**5.3 Fire fighters:** Ensure suitable respiratory protection.

### SECTION 6 – Accidental Release Measures.

- 6.1 Personal precautions:** Gloves, Dust-mask, Goggles, Boots. Use respirator for larger spills.  
**6.2 Environment:** No Environmental hazards.  
**6.3 Containment:** Sweep to contain. Dispose as dry powder waste.  
**6.4 Section Reference:** Section 8 for personal exposure.

**SECTION 7**– Handling and Storage.

**7.1 Handling precautions :** Wear personal protective equipment. Avoid heat and ignition sources.

**7.2 Safe storage:** Keep container closed. Store in cool area or Refrigerate/Freeze

**7.3 Specified use:** Animal Feed. Retain original packaging for instruction references.

**SECTION 8**– Exposure Controls/Personal Protection.

**8.1 Control parameters:** Ventilate area to avoid dust generation.

**8.2 Exposure controls:** Avoid eating, Drinking or Smoking during preparation. Wear Gloves.

**SECTION 9**– Physical and Chemical Properties.

**9.1 Basic Properties:** State: Solid. Free flowing powder.

Colour: Off white

Odour: No Discernable Odour.

Moisture Content: 3.5% - 6%

Particle size: No Specific Data

Melting point: No Specific Data.

Solubility: Soluble in cold water.

pH: 5.9 – 6.5 in solution

**9.2 Other Information:** None.

**SECTION 10** – Stability and Reactivity.

**10.1 Reactivity:** No Specific Data.

**10.2 Chemical stability:** Stable under normal conditions.

**10.3 Possible reactions:** No Specific Data

**10.4 Conditions to avoid:** No Specific Data

**10.5 Incompatible with:** No Specific Data

**10.6 Decomposition:** No Specific Data

**SECTION 11** – Toxicological Information.

**11.1 Toxicological Effects:** No Specific data.

**SECTION 12** – Ecological information.

**12.1 Toxicity:** Non Toxic

**12.2 Degradability:** Stable under normal conditions.

**12.3 Accumulative potential:** No Specific Data

**12.4 Soil Mobility:** No Specific Data

**12.5 PBT vPvB results:** No Specific Data

**12.6 Other effects:** No Specific Data

**SECTION 13** – Disposal Considerations.

**13.1 Waste Method:** There are no specific Waste considerations for this product.

**SECTION 14** – Transport Information.

**14.1 UN Number:** Not Regulated.  
**14.2 UN Shipping name:** Not Regulated.  
**14.3 Hazard class:** Not Regulated.  
**14.4 Packing Group:** Not Regulated.  
**14.5 Env. Hazards:** Not Regulated.  
**14.6 User Precautions:** Not Regulated.  
**14.7 Bulk Transport:** Not Applicable.

**SECTION 15** – Regulatory Information.

**15.1 Specific Regulations:** Not Regulated.  
**15.2 Chemical safety:** Not Regulated.

**SECTION 16** – Other Information

**16.1 None.**

**Disclaimer** – The above information is believed to be accurate and is specific to the product as manufactured and supplied. It may not be valid when the product is diluted for use or used in combination with any other materials or processes. Conditions of use are beyond the control of Volac International Ltd. and therefore the information does not purport to be all inclusive. End users should consider the above information as a guide for Safety only and must satisfy themselves that the product is suitable for their specific intended use. Volac International Ltd. cannot accept liability for damage or losses through the use of this product. This MSDS does not constitute a guarantee.

# Material Safety Data Sheet Statement

## Product(s)

Lamb Volostrum

## Statement

### To whom it may concern

Volac as a supplier of food and feed is exempt from the requirement to supply Safety Data Sheets - based on Article 2 (6) of REACH Regulation 2006/1907 (as amended) which states that the requirement for a safety data sheet does not apply to food or feeding-stuffs in the finished state. In the absence of legal definitions, trade associations and REACHReady (a subsidiary of the Chemical Industries Association) have defined 'finished state' as meaning 'ready to be used by the final user'. Although dairy materials are being supplied B2B they remain in the state supplied when they reach the end consumer and are not classified as dangerous.

**A general Safety Information Sheet is available on request.**
